Dear Examiner Ho,

Patent Application No.: 10/781,112

Patent Application Title:

NOR-Type Channel-Program Channel-Erase Contactless  
Flash Memory on SOI

Filing Date: February 18, 2004

Inventor: Koucheng Wu

I want to elect Group I that is Claims 1-22. I made phone calls to you on 6/20-21/2005 and left messages in your voice mail regarding to my election.

I received the Office Action late because I am currently working overseas, so I request for extension of time. A form of Petition for Extension of Time was submitted on 6/21/2005. I still use my US address (3074 Vesuvius Lane, San Jose, CA 95132) for mail correspondence.

Sincerely yours,

  
Koucheng Wu
